

7th AIOC 2021
VIRTUAL
All India Ophthalmological Society
24 - 27 June 2021

AIOS International Centre
HALL-A

Thursday, 24 June 2021 04:30 PM - 6:00 PM (IST)

Korean Ophthalmological Society

Ocular Imaging Conference

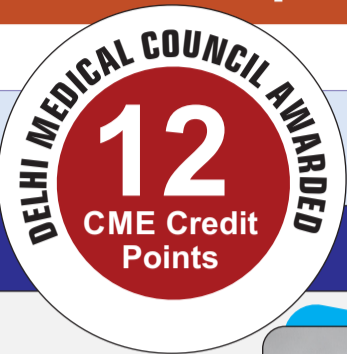

Chairpersons

Dr. Seong-Joon Kim
Secretary General of KOS
Professor
Seoul National University

Dr Kyung Seek Choi
Professor
Soonchunhyang University

Speakers

Dr Viviana Wonkyung Cho
Assistant Professor
Catholic University

Dr Kyong Jin Cho
Associate Professor
Dankook University

Surgical Approach to Orbital Tumors

Imaging Techniques In the Diagnosis of Dry Eye Syndrome

Dr Jiwoong Lee
Professor
Pusan National University

Prof. Min Kim
Associate Professor
Yonsei University

Anterior Segment Optical Coherence Tomography Imaging of Filtering Blebs after Trabeculectomy with Amniotic Membrane Transplantation

Secondary Macular Hole

Dr Jeeyun Ahn
Associate Professor
Seoul National University

Dr Yong Un Shin
Associate Professor
Hanyang University

Retinal Imaging in Neurodegenerative Diseases

Effect of Hemodialysis on Ocular Structures: Optical Coherence Tomography Study
